

Geneva Glen Camp

2014 Fall Alumni Glen Breeze

GREETINGS FROM Ken & Nancy

Hello dear friends, we hope your summer was healthy and happy and autumn is going well!

As we look back after each year, there are far more similarities from season to season than there are differences. The similarities are a full camp, wonderful counselors, new friends and strengthened relationships, great program, changed lives. The differences are what tend to get our attention!

The most striking difference between this and other summers: lots of rain! We were allowed camp fires all summer, and Smokey's arm stayed pretty much on "Moderate" the entire season! And dust? Next to none! You remember that our theme for the 2014 summer was "The Spirit of the Glen" – a phrase that resonates with our GG alums for certain! Well, we witnessed the nature of this Spirit all summer long in the similar things, then noticing how most of our outdoor events, such as Pow Wow and most of 4th of July were unaffected by the rain! The Sword Soliloquy, Pulling of the Sword, Merlin's Masque, Day-long Pageant, Induction, and Avalon were also untouched by raindrops! More than once we thought of those words from Camelot: "The rain may never fall till after sundown!" Now, we weren't always in good stead – more than one horseback ride got clobbered by rain, lightning would shut down pool for a while, and the last day of World Friendship, for the Chautauqua we got *drenched*, however it dried up for the evening Peace Ceremony! So hats off to the great leaders who entertained a lot of damp kids inside cabins and cubbies all over the Glen.

One of the biggest differences included saying goodbye to Marathon and the numerous "lasts" we all experienced – last staff photo in front of the building, last time in the basement Shield Shop, last KGLN broadcast! All of those "lasts" will soon turn in to "firsts" as Marathon is well underway in its next incarnation! It will provide so many new memories, traditions and routines, not the least of which is ample shelter for *lots* of people during rainy weather, plus everything else it was ever used for, in a wonderfully imagined space that will endure at Geneva Glen for another 100 years! Have a healthy and prosperous autumn & winter!

Ken & Nancy

Talk to you next spring!

Pow Wow and 4th of July guaranteed that the traditions of American Heritage GG's brand of Independence Day would be an "over-the-top" fun-filled celebration!

Two brand new colts spent the summer close by their mamas, keeping our breeding (and homesickness deterrent!) program active!

GG Board News

GG welcomes three new BOARD MEMBERS who will replace outgoing members, Leslie Woodworth Kendrick, Mary Taylor Kirkpatrick, and Joy Pearson. SHARA SLAY CASTLE joined the board last year, and is pictured as well!

WEDDING BELLS

Just got word that Congratulations are in order for **SAM WALTER** and his bride, Sarah Lichtenstein. The pair now live in the city of the big arm, Chicago! He hosts a podcast focused on College football and basketball. Sam, a camper, trainee, and counselor headed up Archery (“back in the day!”) Sam, do you recall that random encounter on the streets of Evanston while you were studying at Northwestern?! Sam was one of the best Belasius’ for Merlin’s Masque Vespers! Is that on your resume, buddy?

Great celebration photo of two generations of GG folks gathering for **PAGE KELLEY**, and **MATT WILLIAMSON**’s wedding. We have had many romances that bloomed at camp, but not a lot of GG progeny, who, light that matrimonial torch combining two alum families. **TOM LONG**’s step-daughter, **PAGE KELLEY**, and **RED WILLIAMSON**’s son, **MATTHEW WILLIAMSON**, have the magic formula! What’s particular about this group is that of the dynasties represented, we can count at least *ten* people who began their married bliss with a GG camp romance. The elder alums, **RED WILLIAMSON**, **RON WILLIAMSON**, **TOM LONG**, **PAULA SHUGRUE ROSEN**, stand out as the progenitors of many in this group. It looks like a very happy day!

Quintessential Pageant Opening Scene

DANIEL BAER married Brian Walsh in splendor, beauty, and opulence, at the Palaise Ferstrel in Vienna, Austria last August. This was a knot-tying we truly wish we could have seen! Even as the proverbial fly on the wall – or at least on a crystal droplet in the chandelier would have offered a fantastic view! **ZAC ELLER**, along with Daniel’s family, **MERRITT**, **PETER**, **BECKY**, and **LYLE**, from GG, attended in person, while the rest of us did so vicariously! Dan is the U.S. Ambassador to the Organization of Security and Cooperation in Europe. Hey, if you’re ever near Indian Hills...!! Congratula-

FROM THE NURSERY...

We all get quite a kick when we get to meet these anticipated future GG alum, and how their parent’s counselor skills are being honed on an entirely different level! The Spring Breeze announced most of these angels as arriving between the Spring Breeze and now, so ... introducing...

KRISTIN and **STEVE BROWNSON** celebrated the bounty of autumn by welcoming a baby boy to their family. **BROOKS RYAN BROWNSON**, born Sept. 30, will be snuggled, and cuddled about like a live-teddy bear by big sister (age 3) Caroline.

LIAM COX joined the camp family in June. His dad, Quinn, and mom, **KRISTIN SYVERSON**, were overjoyed! He also has a big sister, Keira, who may wish to monopolize his every waking moments!

A recent arrival, who looks suspiciously like **KEVIN LEE**, joined the camp family September 29th. Mom, Sara, and dad, Kevin, gratefully announced his advent to big brother Sammy, age 3, who anxiously greeted Evan Daniel. Congrats to all!

Bringing more nobility to the **PETERANETZ** clan, little “Nobel” was born October 2, 2014! (10-02 at 10-02 a.m.!) Congrats to **JAY** and **WHITNEY** for finally producing a Peteranetz heir for **MARCIA** and **GENE** and **CHANDA** and **PHIL**! The three adorable sisters, Braiden, Aspen, and Trennan, will undoubtedly run this little guy’s life for a while! **WENDI SUE GROVER MEERDINK** and hubby, Larry, are pretty much sold on Clara Rose and they spend just about every waking minute in rapt adoration! Clara arrived on schedule in July! They’ve already introduced her to GG a few times, and we foresee many more such visits, as their car knows the way!

And a few days ago Violet Winter Stroud became the newest addition to the **KEN STROUD** family. She appears pretty sleepy here, but word has it she’s a nocturnal child for the time being :)

JOSH WEINBERG, and wife, Ruth, are delighted to carry on the **WEINBERG** appellation with a bouncing baby boy, born this fall. His little sister, Lila Iris Weinberg, is overjoyed to have a baby brother Michael David to dote on!

MERLIN’S MASQUE MAGIC

Megan Elkjer, one of the earliest “Lady of the Lake” dancers, presented the enchanted Excalibur to Merlin (John Vogt). More than twenty years passed, and Megan’s daughter, Nelle, is the Lady of the Lake, 2014!

Campism at the Glen

Summer solstice, June 21st was the auspicious date for the first ever “Campism” at the Glen! The ceremony was held for Teddy Amass in the Council Ring. Teddy’s parents, Tim, and Courtney, introduced this lovely idea, a ceremony we’ve never performed. “We are here today to celebrate Life – the magic that is childhood, and honor our son, Teddy, welcoming him in to the natural and spiritual world. You are a child of the universe, no less than the trees and stars ...” that quote from *Desiderata*, and many other beautifully appropriate ones gave a rich feeling of ceremony and family. It was a thoughtful expression of Tim and Courtney’s commitment to Teddy’s valuing this natural atmosphere. Brother Ty, the Amass nieces and nephews, Marc and Dominique LaCroix, and grandparents Lorie and Bill, were all in attendance. We were so grateful to be included and also grateful for the generous donation they made for GG camperships!

A fanciful fairy frappe of thanks goes to Carrie Davis for her creative contributions to our fairy foray during Myths and Magic. These junior campers dote on mythical moments with Hobbits, Leprechauns, and Wood Fairies. Carrie used her millinery talents to costume eight darling dolls. We are truly grateful!

SWEET ASSIGNATIONS

Wonderful to have **KATE SOMMERS DAWES** show her fiancé David Connors around her camp home. She lives and harmonizes in San Francisco, and big-brother

XANDER showed us some great pics from a Save-The-Date party.

SCOTT and **OUTI WHITMER** are definitely feeling the over-flow of *amour*, as both of their boys, **TROY**, and **COREY**

proposed to their sweethearts this September! Troy will wed Chelsea Blackstone, and they will live in New Hampshire. Cool trivia: Troy’s animated feature, “To Space and Back” is being shown now at the Gates Planetarium in Denver! Corey is betrothed to Dee Smith. They live here in Colorado, congrats you all!

XAN WHITE now resides near his fiancé in Palo Alto, CA, but still finds opportunities to return to his Rocky Mtn. home, as recently as the Young Alum beer fest, and the Strategic Starburst, as well as delivering the Camp Family Fellowship Sunday Service talk on Knighthood values! We hope to meet his intended Jessica Svara. Congratulations to both of you!

On the Nest

News came from **KARL ONSAGER** and his wife, Jennifer, that they are expecting their first child late this year. **GWIN HEATH HOWSAM** is expecting!

LAUREN and **CHRIS KAMPFE** are due to take on parenthood in March! We’re so grateful to Lauren for donating her time and talents to graphic design work for our fall mailing!

TRIESTE PALMER PRUSSO is beginning a camp of her own as she and hubby, Jeremy, are expecting their *fourth*! At this point, it looks like Utah will welcome one more cowboy. The grapevine whispers that **MARCY JACOBS JAROG** is expecting! Certain that we’ll have more information in the next Breeze!

REID and **COURTNEY MCKNIGHT** may be picking out some pink cowboy boots soon as they have placed a heavenly order for another little Cherub to keep Beckett company! The blessed event is due in March, and we will keep you informed and the Cherub well-photographed!

If the newborn hospital beds are all full, I'm sure there will be plenty of room in this wigwam! :)

PROGENY AWARDS

Numerous Knighthood awards were given this summer that honored GG progeny: a Rose for **DOMINIQUE LACROIX** (of the Amass Clan); **EMILIE LEDERER**, and twin brother, **MATHEW**, both received Knighthood recognition: Emily, a Rose, and Matt, a Spur. They are the niece and nephew of **MEGAN LEDERER**, and cousin **BEN LEDERER**, with Grandpa **BOB** who continues as one of our faithful senior camp docs! That Gold Star shining in the midst of a shield was especially meaningful for **SAM ROBISON**, as he has “cut his teeth” in the Knighthood program with mom, **MOLLY CASSIDY**, and dad, **JEFF ROBISON**, and Grandma, **LYNNE DEASON ROBISON**, and along with sister, **CASSIDY**, all feeling duly proud!

We have a hunch **LANA FOX** had a tear when her son, **ADAM GRIBAS**, was awarded the Gold Star as well. It was fun to find a holiday card from Lana written months before Adam ever joined the staff. She had “prophesied” that he was really a knight-at-heart and would embrace the program. Five years later we can attest you were right!

American Heritage ended on a high note with the prosperity feather award given to Matthew Sease, son to **JEFF SEASE**. World Friendship is our most athletic session with sportsmanship taking the spotlight. Annie DeGroot won the Sportsmanship award – she is daughter to **ELIZABETH GRAY**. Nominated for the Peace Prize was the granddaughter to **BEA MILLER ROMER**, our own Grace Romer.

Myths celebrated its own assignment with a true “Teddy Bear Wedding!”

Alum News From the Mailbox

We love opening mail and hearing so much wonderful news from countless folks. Keep in touch and we'll help you keep in touch with your Geneva Glen friends!

1950s

HOLLY GRIFFIN ROMIG brought granddaughter Katie Hammond, from Tennessee to American Heritage. Katie, daughter to **JENNIFER**, loved her time at GG. Holly was enlisted to once again be our resident therapist for the AH session! It was great having Holly here, we tried to keep up with her sense of humor. Holly was blasted back into the past by this article from the 1960 American Camping Association Acorn. "Members of the Geneva Glendoliers – a group of teenage campers, who like to sing, and do stunts." **STUNTS!** They performed at the Air Force Academy for the ACA conference when Mr. Gilmore was the president! From L to R, **BEA HOLZAPFEL, HOLLY GRIFFIN (ROMIG), LEE GARRETT, JAN RHODES (MOOR),** and **NANCY FISK (ATKINSON)**. Lee was dubbed an "accomplished

pianist!" (you'd have to be with *that* group!)

1960s

SO happy to share recollections with **KATHY JOHNSTON HASSELBRING**. She worked at the barn with **DAN**

WARNER and has recently moved to Colorado Springs from Illinois. She and **JUDY GRUENWALD** were great friends. We hope she will visit camp when it's in session!

KEN and **NANCY** recently shared a great Chicago feast with **MARY BAINES**, and **TERRY CARR**. Lots of catching up happened the evening of their *anniversary!* They offered up some 60s photos for our GG scrapbooks (including this one below!) *Only one name eludes us!*

And yes, they are one more couple who met at GG! Terry is a

pure Chicagoan, born and raised there, until he ventured to

From left to right: Ginny Long, ??, Peter Rosen, Jeannie Scott, Melinda Morrison, Marion Jeffries, Marilyn Flory, Mary Baines, and Terry Carr

Colorado while in college, and lost his heart at Geneva Glen to a little Texas girl, named Mary Baines! He brought more than one of his college friends to GG, including **TOM JONES**, who just recently wrote and sent great support for our Marathon re-construction.

Good re-connection with **ELINOR SCHADT COWELL** of Kansas, and niece, **JAMAICA JONES**, of Colorado. These two are from one of those extensive GG family trees that branches out in several familiar familial names, beginning with the Colorado **LEWALLEN** families, and continuing through the Alaska clans of **CALE HELLAND, Sue Sampson, & Gordon & KEVIN SCHADT**. Jamaica is helping us re-build the Royal Thrones! Small piece of trivia about the thrones: years ago **LAURA VICK AYERS** helped us to acquire Freddie's (her mom!) dining room chairs and those have been our thrones since mid 1980s! They need Jamaica's help!

JOHN NEWMARK, from Lake Stevens, Washington, dropped by for a walk down memory lane. He was a skilled crew member in '74 and '75 but came to camp as early as '67. We're glad he made a path back to the Glen.

SUE ANN FITCH gave a loving gift to a camp buddy, Gayle (Lee) Haugen Long from Greenwood, SC. Sue escorted her up to her "old camp" to sit in the Council Ring, remembering Knighthood and the "60s. Sue's daughter, **SHANNON HORTON**, joined in the nostalgia.

1970s

CLARK HOGAN ('75-'77), thanks for checking in!

JANE ROCKWELL CARLSON is just *one* of our alums who is considering hiring **CASS ROBISON** to paint a mural for her like this one shown in the Health Center. Jane and Douglas have a great Mexican Restaurant, Mi Cocina, and they thought that

Cassidy's talents could be well represented having seen the amazing artwork Cass put together so quickly at camp!

1980s

Ecstatic to hear from **CHRIS HAEFNER** ('83-'84) who caught us up on his life, in Mansfield, Texas! He and wife, Ruth, have two children, Drew (18), and Laura (17). He is still that patriotic dude working as a general manger for Army and Air Force Exchanges Services. His work has made him a world traveler, but we are glad he's back in the states now. Chris, let us know how your sister **SUSAN** is doing – we've lost track. Does she still play the oboe?!

MICHAEL TSCHETTER is living now in Denver, back from Southern California, with wife, Kelley. He has three children, Andrew, Peter and Elizabeth. We remember his sister, **NICKIE**, fondly, who came for many summers.

Hats off to **LAURA VICK AYRES** who did **SOME** last minute gown sizing playing seamstress for our Pageant needs, especially the King and Queen! Eternal gratitude for following through in those high-stress moments!

Great to see **OUTI** and **SCOTT WHITMER** at the end of Knighthood! They still live nearby but it's been a while since they've tramped around camp! However, the big treat was

the influence of **BOB IRBY**, and his dad – both choir directors and friends of the Glen. They would bring their choirs to Colorado from Brownsville and Harlingen, TX for decades!

NANCY DUVALL WAGNER (of Centerville, OH), lovely niece of **BOB** and **CAROL**

DUVALL, had a nostalgic walk around the Glen during the summer. Her co, back in the day, was **TRACY ADAIR**, and in a kind of reverse-small-world-story, they both just missed seeing each other while on their visit!

SARAH KOUGH remembers her bracelets that she still has at home! She resides in Greenwood Village (down the road from camp) now!

DIEDRA VAUGHN COOPER promised to stay in touch now that she's a grandma! Her CIT year, 1980, was a highlight for her and we're pleased she came down from home base in Fort Collins.

1990s

It was great to see **STEPHANIE** and **ERIC KOSTERS** and **BETTY FLORY** at The Fall Fandango in Sept. Eric works for Lockheed / Martin and lives in Highlands Ranch. I remember Eric in the Pow Wow when he was a teen.

Here's a great small-world story: **NAN BEBERMEYER BELL**, visited camp from their Missouri home as they vacationed. She shared a tale that her daughter Fiona, is best buddies in pre-school with Natalie Rumack, daughter of **BETH** and **MARC RUMACK**! We can tell these little gals have a very select taste in their friendships!

We must admit the most bizarre catch-up we've seen is from **MEREDITH BASTIAN**. She's the curator of primates at the National Zoo in D.C. She worked with wild orangutans in Borneo for 8 years. What camper wouldn't relish her life living next door to the zoo! Hope to see you some time Meredith! Speaking of primates (!), **VICTORIA CAIN** has published a book entitled Life On Display: Revolutionizing U.S. Museums of Science and Natural History in the Twentieth Century! We're going to get a Kindle version!!

Beer-fest brings old camp pals together over the miles as the **HALL** team, **LARRY**, **EMILY**, and **DAN**, (all now residing in New Orleans!) entered the beer fest and **JOHNNY DOMENICO** did the art work. Their brew is a peach and corn ale, called "Yellow Meal!" They needed a lot of luck getting that to CO! You've got to go look at the artistry, craftsmanship, and creativity these Young Alums put on display—follow the link you'll find in the Young Alums article!

Great to visit with royalty this season as **NATASHA BELEW HARRIS**, ushered her husband around camp in August. This Texas cowgirl was Queen in 1989, and we've coincidentally been in contact with her king, **KEN STROUD** this fall!

Time Team America aired a great PBS special about Crow Canyon, and the lost Pueblo village. The head archeologist was our own **SHANNA DIEDERICHS**! She was given accolades and star treatment at Denver's Channel Six PBS station, as all the Diederichs women watched the program together! How proud we are that a few summers ago she did a simulated excavation with our campers and allowed them to re-enact the hard, slow work of a true archeological dig.

Great to see **MIKE EMERY** who dropped by in early June. He's living in Breckenridge as a DJ!

FARISH JENKINS wins the prize for the "loftiest" visitor to

drop in! Dear Farish and his six-foot-eight-inch frame came in September – all smiles and positivity! He manages a restaurant in the midst of the Boston College scene!

Grateful to have **TY AMASS** and his wife, Christine, back in Colorado. They've moved here from New York and introduced us to their son, Milo. This sturdy little fellow, with eyes that can melt your heart, tromped around camp and fit right in.

2000s

Our own **AARON GOLDHAMER** is building bridges in the Denver political scene – currently he is the "House District 8 Captain" for State Rep. Beth McCann, and winner of the Selma Lock Volunteer of the Year Award. AND Rep. McCann is the mother of **CHRIS** and **LIZZY LINSMAYER**. Add to that, Aaron was once Chris's counselor!

In addition to all of that, Aaron and **MIKE HINDS** donned their necktie and business shirt to deliver "The Lawyer Show" during Staff Orientation! They brought a new twist with the timeless message to all 18-23 year olds: "Don't Kill Camp!"

This posed photo is becoming a tradition! Pictured are the girls

in the Mackenzie cabin (youngest campers) and their counselors. For several years now, during KHI, KHII, or both, this cabin houses ALL Geneva Glen progeny—in this instance even the counselors -Bonnie Siler (daughter to **SUE ASHER**), Carlee Flynn (daughter to **JENNY LEE**), and Kathryn Yetter (daughter to **ANNIE ROSS**, granddaughter to **DIANE GILMORE ROSS**, great-granddaughter to **IRIS** and **HAROLD GILMORE**!)

Dropping into her familiar Rocky Mountains from San Francisco, **BECKY WEINBERG** hosted a birthday bash in famous camp night-off style at Old C's (Old Chicago's) on South Wadsworth! The gathering brought pals together such as – **GRAHAM WILSON**, who shares his time between Denver and Hollywood (*doin' what he did back in the day!*) **KATIE LIVINGSTON**, **BRIA** and **KIM HAMPLEMAN**, the **DREHER** Brothers, **CHIP KLEIN**, **PETE LAFLEUR**, **KEN STROUD**, **ALANA GAY**, **JENNY WARNER HODGSON**, **WENDY GROVER MEERDINK**, **KEN STROUD**, **AARON GOLDHAMER**, **DANA HELLER**, **CHRISTA REDFORD**, **JOSH WEINBERG** (more at "Nursery"). And so great Mom and Dad, **RACHEL** and **SHELLY WEINBERG** could join too! Becky glowed in the abundant memories – (and that glow would have gone so well with that famous "green dress!")

Geneva Glen Young Alums!

The 2nd Annual GG Young Alumni Great Glen Beer Fest, held on Oct. 25th, was another foaming success, raising \$4500 towards camperships. This year's event was held at Porchlight Real Estate's Broadway offices, thanks to Annie Bachman.

We had 9 beers brewed by **Pete Mahan, Jack Conner, Karl**

Onsager, Michael Clayton, Kreg Hamburger, Joel Barber, Scott and Davis Wert, Sami Hartman and Kyle Haas, and Dan Hall all the way from New Orleans. This year we had more amazing and creative beer labels designed by **Jon Mischke, Ciara Gay, Cass Robison, Johnny Domenico, Jay Peteranetz, Roy Anneberg, Chris Gallagher, John Sampson, Claire Jackal, and Drew Anneberg.** **Owen Locke** also brought his famous whiskey to taste. This year **Michael Clayton** and **Scott and Davis Wert** won prizes for best beer. To see pictures of the art work and event, check out the GGYA Facebook page: www.facebook.com/GGYoungAlumni

If you are interested in learning more or supporting GG Young Alumni by becoming a member, please email us at ggyoungalumni@gmail.com. As always, anyone in the Camp Family is welcome to all Young Alumni hosted events and fundraisers.

In Memory

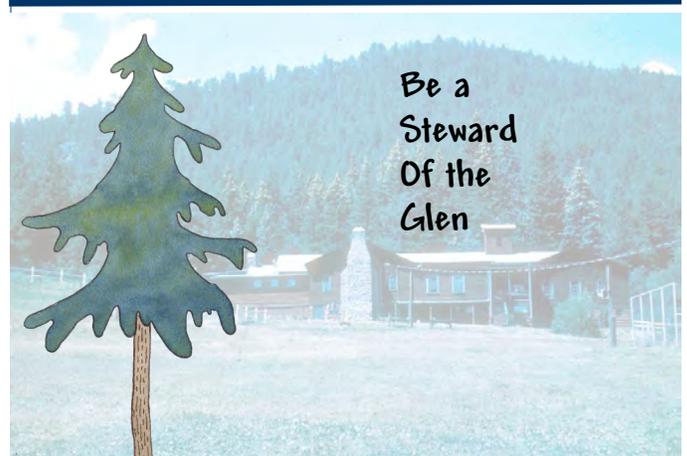

Cherishing the past, seeding the future...

Our loyal head cook of 12 years, **ANITA BOUCHER**, passed away in late September. We already miss her delicious rolls and shortbread for Avalon.

Sad news came in September that **ED GOWDY** passed. He was son to **WENDI ALLEN GOWDY**. Our sympathies to the entire family.

MARILEE NORLING MARTEL, passed away at the age of 83 on October 24th. Four GG generations are celebrated by Chris and Jonathan who write: "She was a wonderful person and a superb mother. At a memorial service for her in NYC on November 23rd we will be asking family and friends that, in lieu of flowers, to make a donation in her name. We have chosen Geneva Glen as one of the organizations to receive donations, because we know she believed so much in the camp, its rich tradition, and its mission."

GG REJOICES! ... at the opportunity for Federal, and private support for environmental forestry, and fire mitigation through Jefferson Conservation District. During World Friendship a provocative Think Tank informed our teens of the precarious health of GG's pine forests. These thick stands, while reminding us of the over-abundance of fuel, also keep out healthful sunlight that allows normal undergrowth and natural vegetation, wildflowers and low brush for our local critters. Natural forest pruning through controlled burning, is no longer an option as a wildfire would devastate our steep mountains and surrounding properties. The best scenario is to thin the overgrowth of fir and spruce, along with scrub oak, and other invasive species, dramatically, enabling a more natural forest habitat. A significant portion of funding and know-how for this huge undertaking will be provided by this conservation district allowance and hopefully will commence in the spring, 2015. Be on the lookout for more information in a couple of weeks!
