- Returning Families: To simplify the registration card, we have filled-in your camper's card with the information we have on file. If corrections are needed, please mark the changes on the lines to be corrected.
- Please indicate a 2nd and 3rd choice of session(s) and choices for the wait list in case the session(s) you prefer is/are full. Your camper will be enrolled in the 2nd or 3rd choice before being placed on a wait list.
- Confirmation of your enrollment and/or wait list status will be mailed to you. Your confirmation card is your receipt. Please allow a few weeks for us to process your registration.
- If you need a card for another child in your family, simply write his/her name, age, gender, birthday, grade in fall of 2017 and session on a blank piece of paper. Include the required deposit. We will reserve a place and send the card for you to complete at a later date.

Winter Workshop- Wednesday, Dec. 21 (between 3:00-5:00) through Saturday, Dec. 24 (11:30-noon). The Workshop enrolls 100 veteran campers who are *currently* in 8th, 9th, 10th or 11th grade. If you are a teenager in 8th – 11th grade, the Winter Workshop flyer and registration is enclosed. If we missed sending you the Winter Workshop flyer, send an email (christa@genevaglen.org) and we will send you one right away.

Important Note to Veteran Campers- All registrations postmarked Oct. 26 through and including Nov. 9 will be enrolled first. This allows you a few days to consider your summer plans. Any registration postmarked after Nov. 9 will be processed after this first group. Overnight mail is not necessary, as the postmark before and including Nov. 9 will qualify you for early enrollment in the first group. Remember, sessions fill quickly – mail your card back to us NOW! We cannot accept any hand-delivered, electronic or faxed registrations; all registrations must arrive by mail, and deposit payment must be made by check (included with your registration application). Because of GG's fantastic fidelity from veteran families, we feel an obligation to register campers based on number of years attended, as well as the date we received registration. For example, a 6-year camper whose registration was received in the enrollment window of Oct. 26- Nov. 9 is placed in a slot with other 6-year veterans. The 11th-year families are enrolled first, then working down to 10th-year, 9th year, etc. Registrations received after the enrollment window (those postmarked Nov 10 and later) will be processed by date received. While we may not always be able to honor your first choice, we usually can accommodate most children so they can attend GG and be part of our camp family. Gratefully, we have an abundance of campers – even 5th-generation families – that enroll, so it will take a few weeks to process your registration. Thanks for your patience!

CANCELLATION POLICY- Please read carefully!

Applies only to confirmed enrollment for any 2-week session (not Myths and Magic). In order to accommodate our many wait listed families as soon as possible, we adhere to the following policy:
