What would you most want children to gain from being with you?

What are three things you believe in?

About how many camps are you applying to besides Geneva Glen?

Explain any impairments, physical or mental, which would interfere with, or limit your ability to perform the job for which you have applied?

Any dietary restrictions, limitations, or preferences?

Do you feel you would work well in a rustic "non-sterile" environment?

Do you think you will adjust well to the camp environment?

Do you have children of your own? Gender and age of each? Would your children need to be at camp with you?

Using the reverse of this page or a separate sheet, explain your background and experiences as a care provider and how these experiences would qualify you for a "camp nurse" position. A professional resume or CV would be acceptable to describe your training and experience. Continue by giving us a brief biographical sketch. Talk about your interests, personality and goals. Tell us why we should consider you for this job. How would your temperament suit you to be a camp nurse? What is the most important thing that a camp can offer a child today?
