For Summer 2017

We are glad to know that you might be interested in employment at Geneva Glen for the position of Camp Nurse this coming summer! Please read the information online or enclosed for you: Geneva Glen's Mission Statement and Goals, a description of all positions being considered, a few "testimonial" letters from past camp nurses, and a summary description of the position of Camp Nurse for you to read before returning your completed application.

It is important that applicants know the main requirement we have is quality of character. This includes a good disposition, impeccable personal standards, and the ability to adjust to a demanding life-style. We also anticipate your willingness to work with others, to be on-call round the clock (while on duty), and to be able to "go with the flow" of summer camp life!

It is our experience that a camp nurse at Geneva Glen is a person who might be in some level of transition either personally or professionally, and a summer in the mountains is the perfect opportunity to re-energize, reevaluate, or to become enriched in the beautiful surroundings and harmonious working atmosphere which Geneva Glen presents. As with all of our camp positions, we consider that "pay" for this work and service is intangible - low in money, but of immeasurable value in experience, leadership and fellowship. We expect consistently "top notch" work and believe individuals are highly rewarded from investment of self into our unique program. As an RN, you are not considering camp employment for financial reasons! Geneva Glen is very competitive among camps with its nurse salaries, but cannot compete with hospitals, home care or clinics. Your consideration to work as a nurse at our camp must go beyond money; and if you can afford this wonderful experience, you will find it memorable and of great personal worth.

Read the information enclosed for you and be sure the application is complete. We look forward to hearing from you, and will acknowledge receipt of your application and keep in touch. Please allow us 3 - 4 weeks to fully process the application. If you have any questions, do not hesitate to call or write.

Thank you for your interest in Geneva Glen.

Sincerely,

*Ken & Nancy*
