For Summer 2018

We are glad to know that you might be interested in employment at Geneva Glen for the coming summer. Being a staff member at our camp is an unforgettable experience that can change your life and the lives of the children you work with.

It is important that applicants know the main requirement we have is quality of character. This includes a good disposition, impeccable personal standards, and the ability to adjust to a demanding life-style. We also anticipate your willingness to work with others.

We anticipate all camp family members to be positive role models for our campers, and to express a genuine appreciation for children. Please realize that "pay" for this work and service is intangible - low in money, but of immeasurable value in experience, leadership and fellowship. We expect consistently "top notch" work and believe individuals are highly rewarded from investment of self into our unique program. If you can seize this opportunity, and afford this wonderful experience, you will find it memorable and of great personal benefit.

We are in the process of evaluating our needs in relation to the applications that come to us. Many of our decisions regarding our staff for the coming season cannot be reached until we learn the availability of our former staff members. We will do our best to remain in communication with you.

Please spend a little time getting to know Geneva Glen: including our website for staff, position and salary information and our Mission Statement and Goals. Please complete your staff application online. We look forward to hearing from you, and will acknowledge receipt of your application. Please allow us six weeks to fully process the application. If you have *any* questions, do not hesitate to call or write.

Thank you for your interest in Geneva Glen.

Sincerely,

Ken & Nancy
